Re: *Stop LAPD Spying Coalition v. City of Los Angeles*, LASC Case Number
BS172216

Dear Ms. Flynn:

I am writing to supplement my August 10, 2018, letter to you.

Your July 25, 2018, letter claims that all 4-week reports are missing from the production. The Department conducted a diligent search and reasonable inquiry, and notwithstanding what is stated in the document entitled Timeline for Operation LASER, no 4-week reports were written or provided to Deputy Chiefs, Commanders, and Captains. Accordingly, nothing will be produced in response to this request because no responsive records exist.

You also asked me to tell you where all Chronic Offender Bulletins are stored. As I have already stated in earlier letters, the bulletins are not stored in a single repository. In fact, divisions store their bulletins in various locations. Some divisions store their bulletins on desktops, on shared electronic folders on the M: drive, and on the LAPD LAN page (the internal Department-wide webpage). The following divisions did not generate any bulletins and therefore have none stored:

- Southeast
- 77th
- Hollywood
- Pacific
- Wilshire

I hope you find this information helpful. I also understand that you did not receive the thumb drive of additional documents that I sent to you on August 10, 2018. Therefore, I have arranged to have a disc of those documents delivered to you today. If you have any questions, please feel free to contact me at (213) 978-2283. Thank you.

Sincerely,
