Hello!

We wanted to extend to you an invitation to our upcoming **High School Graduation Celebration** for our INCREDIBLE youth who have completed high school this year! We all know how **BIG** of an accomplishment this is for this population of youth, so we want to come around them and celebrate and honor this milestone.

Please feel free to invite 1 other staff member from your agency that you feel may enjoy or be encouraged by participating. We often only engage the hard dynamics of this work, so attending an event celebrating and highlighting the positive outcomes of the youth we serve can help offset that imbalance! If you do invite another staff member, please have them RSVP.

Please join us next **Friday, July 30th at 11:30am**. All details are on EventBrite below! Please RSVP as soon as possible.

Hi Mario,

As you know, we have been working on a proposal for DCFS's RFP to continue providing advocacy services to youth impacted by commercial exploitation. We submitted our proposal to DCFS last week!

Thank you so much for your continued support in this process and agreeing to serve as a reference for us. As a reference, you can expect DCFS to reach out to you during their normal working hours (8AM to 5PM, PST) sometime before the end of September; we provided them with your phone number.

Please note that if DCFS is unable to reach you with reasonable effort, our proposal could be disqualified from review. Please let me know if you have any questions about our proposal, the RFP, or the reference process!

We are so grateful for your support! We wouldn't be able to do our work without support from partners like you!

Mario,

As you may know, our contract with LA County is expiring and we are submitting a new proposal to continue providing advocacy services to minors, youth and non-minor dependents impacted by exploitation. As part of the process, we are reaching out to our partners for letters of support and requesting to be listed as one of our references.

We have a quick turnaround, and if you can provide a letter, we would need it by June 1st, 2022. I have attached a sample letter for convenience but please feel free to edit however you feel appropriate (and include on your letterhead). A PDF with your electronic signature or a scanned copy with signature would be fine.

Additionally, could we use you as a reference as well? The County Contract's Department may reach out to verify our experience in working with Commercially Sexually Exploited Children (CSEC) and their caregivers in long term case management.

Please let me know if you have any questions, and if you are able to support us in this application.

Thank you,

Amber

Subject: [EXT]Human Trafficking Strike Bill - SB 1042

ATTENTION: This email originated from outside the County's network. Use caution when opening attachments or links.

Hello,

This week Senate Bill 1042 was introduced in the California State Senate. The bill would make human trafficking a serious and violent felony (also a strike) in California. Currently, HT is considered a non-serious and non-violent crime under California law. This needs to change. The success of this bill will largely depend on the public's awareness of it. When the HT Proposition that increased the penalties for HT crimes was passed in 2012, it was the most successful Proposition in California history with 81% of the state voting to pass the bill. The public still widely supports anti-trafficking efforts, but most Californians have no idea that HT is defined as a non-serious crime under the Penal Code.

Attached is the official fact sheet about the HT bill. Feel free to share it with anyone that you think would be interested in supporting the effort to change the law. We will be launching a social media campaign on the bill next week and will be doing press conferences across the state to raise awareness in two weeks. If your department would like to participate in the statewide press conference campaign on March 4th, please let me know. We hope to hold several simultaneous press conferences across the state on March 4th to raise awareness of the bill.

If you or any of your HT partners would like to help in the effort to get the word out, please reach out to me. Sharing information about the bill on social media and other platforms would be extremely helpful. We just ask that you and your departments give it about a week before posting on social media since we will be doing an official press release on the bill next week.

In addition to raising awareness, we are looking for any organizations (law enforcement, victim advocates, nonprofits, etc.) that would endorse the bill. When the bill goes to the Public Safety Committee in the Senate, we can provide a list of people/organizations that endorse the bill. The more we get the word out, the more likely California residents will support this bill. As you are likely aware, it is very common to have traffickers with very violent criminal records. Making this bill a strike would have a significant impact on repeat serious/violent offenders.

Feel free to forward the SB 1042 fact sheet to your HT partners.

If you have any questions, feel free to give me a call/email.

Thank you,

Tyson McCoy

Hi Mario!

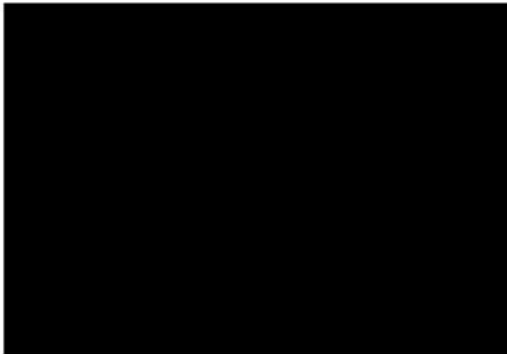

I hope you're doing well and had a great week!

I wanted to reach out to you with a non-urgent (but timely) request for assistance.

I am trying to refer several of the youth we serve to therapy through Victims of Crime funding, but struggling to get information about their police reports. Wondering if I gave you their names and DOB if you could pull up those police reports? Not sure what information you need to obtain those reports, but they're asking for report numbers and detective information, which I don't know for most youth.

Let me know if this is something you could assist with! Again, not urgent since you are at your busiest this weekend, but I wanted to send this so I didn't forget.

Youth:

If you need more information about their reports to pull it up, please let me know!

Thank you so much!

A basic understanding of the crime of Human Trafficking informs us that this crime is based on a financial transaction. In order for this transaction to happen, you need people and money. The more people and money that are present, the more the crime of sex trafficking increases. At Saving Innocence, we have observed from the kids we work with as well as the Survivors on our staff, that sex trafficking absolutely increases around major events, sporting or otherwise. We observed a spike in our services around the World Series and the NBA all Star game that was in Los Angeles. If the question is whether or not trafficking will increase around the biggest sporting event of the year, the answer is of course it will. However, I would caution us not to place too much focus on the Super Bowl. Trafficking occurs all year long and there are children being abused and traumatized up to and including losing their lives right here in Los Angeles on a regular basis. We owe it our kids to stay vigilant all year long. Let's keep our eye on the ball everyone!

Hey Kris -

Some sources you can look at:

1. "It's a Penalty" impact report from last year shows a 166% increase of calls reporting human trafficking in Tampa to the National Human Trafficking Hotline compared to the same time period in the previous year 2020.

2. Another article stating a summary of the problem in LA (this has a quote from Nuri Martinez - not sure her source in the quote)

<https://aimfree.org/super-bowl/#1>

I'll let you know if our team has some others & I'll forward them over to you.

Here's the reality, trafficking is happening 365 days a year in major cities and Los Angeles is one of the top three cities of known for human trafficking in California. 25% of trafficking victims are children and youth (according to the International Labour Organization). Traffickers are opportunists. Of course they will look to exploit victims by taking advantage of travelers who want to engage in prostitution. There is a huge influx of travelers into LA during the Super Bowl and obviously a lot of potential "buyers" (Johns) which raises the concern that more victims will be exploited during Super Bowl week.

Mario,

Would you be able to come and speak to/answer some questions for parents during our PEP meeting on January 31st? We have a very engaged group of parents and I think it would be helpful as always for them to hear from you if you are available. The session is from 6-7:30 so if there is a 30-45 minute window in which you are available, that would be great!

Thanks,

Amber

My command is requesting the assistance of our partners at Journey Out, Saving Innocence and Zoey International. I am hoping your organizations can provide a representative, who can discuss your relationship with the LAPD and discuss your views on the current state of the various commercial sex areas within the city of Los Angeles. Most likely this would be ZOOM style event.

Two years ago your representatives did an amazing job during their individual presentations to the Board of Police Commission.

I wanted to follow up and see if the preliminary hearing is still set to happen for this Monday?

If so, I'm assuming [REDACTED] will need to be there around 8:30? I am able to transport [REDACTED] after court but wanted to see if someone would be able to transport [REDACTED] to court?

Thank you,

Subject: [REDACTED] Case No. [REDACTED] - MINOR [REDACTED] [Preliminary Hearing, 4/20/2022]

Hello Mr. Ball,

Please find a subpoena for minor [REDACTED], for the preliminary hearing in the matter of [REDACTED] [REDACTED] scheduled for April 20, 2022, at 8:30 a.m. Please serve the minor **and** have both the minor and [REDACTED] assigned CSW sign the subpoena and email the signed copy (pdf) of the subpoena (proof of service) back to me. Upon the court date, please ensure that the minor is transported to the Los Angeles Superior Criminal Court House, Department 50. The investigating officer is Officer Shannon O'Connor (with Officer Jose Monzon assisting), who is copied to this email. Please advise if there are any transportation issues that I need to be made aware of.

Given that [REDACTED] is a minor, as well as a victim of very serious crimes, I want to ensure that all of [REDACTED] rights as a victim are observed and protected at all times. With that said, I am requesting that DCFS transport the minor to the courthouse and bring [REDACTED] **directly to the Witness Waiting Room on the 17th floor** of the Criminal Courts Building, located at **210 W. Temple St., Los Angeles, 90012**. Please arrive at the courthouse no later than **8:15 a.m.**, to provide sufficient time for the minor to meet and confer with [REDACTED] attorney before [REDACTED] is taken into the courtroom. I believe the minor's attorney, Jinnyi Pak (cc'd on this email), will be present on the date of the hearing.

Please do **NOT, under any circumstances**, bring the minor to any lock-up or custody areas of the building, where violent adult offenders, including those who victimized the minor are being held. This instruction is designed to ensure the minor's safety and to protect [REDACTED] rights as a victim. Please ensure that minor is accompanied by appropriate supervision, including [REDACTED] assigned CSW, as well as a support person/victim advocate of [REDACTED] choice. I invite and encourage any other members of the minor's support team to also attend the proceeding, and have copied the minor's support team whom I am aware of to this email. In addition, a Victim Services Representative from the District Attorney's office, Betzy Portillo, will also be present to provide support for [REDACTED]

If anyone has any questions about the transportation instructions, the time by which [REDACTED] must arrive at the courthouse (**17th Floor Witness Waiting Room on Wednesday, 04/20/2022, at 8:30 a.m.**), or anything pertaining to the court proceedings, please contact me immediately at [REDACTED]. I greatly appreciate everyone's anticipated cooperation and assistance in this matter.

If the defendant is on the quarantine list or can't make it into court for some other reason, I will let you know as soon as I find out.

If you could kindly reply to this email to confirm that DCFS will accept the responsibility of personally serving the subpoena upon DCFS ward [REDACTED] I would greatly appreciate it.

Thank you,

Emily

Hello Sara,

Happy Monday! Yes that works. I received one report from Mario for [REDACTED] The only issue I see is that police reports will not always identify the victims as victims of human trafficking. For example, the police report for [REDACTED] does not list the crime code of human trafficking, so if [REDACTED] is interested in also applying for HT Wage Loss through CAL VCB in the future, [REDACTED] would be ineligible based on the police report. If the victim is only interested in accessing therapy services, then the report would suffice.

Let me know your thoughts.

Good afternoon, Betzy!

I have been coordinating with LAPD/LASD about the most effective way to get this information to you for HumanSave referrals! We spoke with Mario Gallegos from LAPD and Sgt. Jeff Walker from LASD and they have agreed to send you all the information from police reports directly. So, moving forward, when we make referrals for SI clients, could you connect with Mario Gallegos directly to get that information? Then we can cut out the middle man (me) and you have everything you need!

Thank you! Hopefully this moves the process forward with efficiency and speed!

Good morning Sara,

Thank you for sending this my way. Unfortunately it would be difficult to obtain this information without the specific LAPD or LASD station and the victim's DOB. To obtain a report, I need to contact the specific station and request a report with this information.

Question, does Saving Innocence provide affidavits? I think that Saving Innocence should qualify to provide an HT Caseworker affidavit under CAL VCB policies. This would help avoid the need of obtaining a police report for these and future victims that you refer. I have attached a sample template. Along with the template, I would need the following:

A separate form on a letter head and signed by the caseworker that provides the following:

1. Victim's name
2. Date of the crime
3. Crime
4. Brief summary of the incident [1-2 short paragraphs at most]
5. Injuries and symptoms sustained because of the crime
6. County and state that the crime occurred
7. Name of the suspect [if known]

With this, I can continue to contact the victims and assist with the CAL VCB applications.

Please let me know if you would be able to provide the affidavit and letters for the victims.

Thank you,

Subject: Police Report #'s for Clients VoC Apps

Hi Betzy!

Thank you for your patience! I finally got the police report numbers for several of our clients through a partner at LAPD. I'll attach them here so you can move forward with their applications.

There are a couple that have been waiting a while [REDACTED] and the 2 recent ones [REDACTED].

I was not able to get information on the detectives. Hopefully that's okay!
