

**GRYD Online Referral System
Monthly Report No. 16
January 4, 2021**

On August 1st, 2019, our Office of Gang Reduction and Youth Development launched an online referral system to connect community members to partner agencies for intervention and prevention services. In the month of December 2020, we received **119 online referrals** from LAPD officers. After receiving the referral, the GRYD contracted agency that serves the area of the referral is responsible for contacting the prospective client. The LAPD submissions have already resulted in client enrollments. We are working to capture the numbers of referrals that convert to eligible, enrolled clients. Those numbers will be included in future reports.

Here is a summary of referrals received in December 2020:
