Dear President Decker and Director Tefank,

My assistant somehow received the invitation below. Even my teaching responsibilities I will not be able to help until October 1, and given the time difference I would very much prefer to speak between 4 and 5pm PST. I am happy to speak on a number of topics. The work I have done in this area is highlighted on the website of the center I direct, The Justice Collaboratory. (See <https://law.yale.edu/justice-collaboratory/procedural-justice>). I am also happy to have other members of the JC speak with me — one can convey a great deal of information in 10 minutes!

My best,

Tracey Meares
